Phishing: Unwanted Email Risks

It's hard to remember doing business before the use of email. It's made business and personal lives so much easier and efficient. But with any technological advancement, there are also risks involved when criminals look to co-opt the technology for unlawful pursuits.

In February, The National Law Review reported on a tax-related phishing scheme wherein scammers were trying to steal employees' tax related information to commit identity theft and tax fraud. The IRS reported that the scam involved sending a deceptive email that appeared as if it was coming from an organization's executive. The scam specifically targeted temporary staffing agencies, healthcare organizations, shipping companies, school districts, and restaurants.

But what is "phishing" exactly? And how does it work to compromise your personal information?

Did You Know? TRICOM Honored with American Legion Eagle Award

TRICOM was honored to receive the Eagle Award from the American Legion Post 416 in Greenfield, WI. American Legion Commander

Tim Baranzky presented TRICOM with the Eagle Award at a ceremony at the TRICOM offices on Friday, June 2nd.

The American Legion Post 416 bestowed the honor on TRICOM in recognition for their recent monetary donation, as well as wheelchairs that they fundraised for and assembled at their 2016 Client Conference in October.

Julie Ann Blazei, TRICOM President & CEO explains, "We wanted to do something different at our conference – something that brought people together but that also benefited others, specifically veterans. We worked with Magnovo, a company that helped facilitate the wheel charity event, and raised funds to build as many wheelchairs as possible. TRICOM staff and clients raised a total of \$8,700 and donated 14 wheelchairs, all of which was divided between three local veteran organizations. Our clients and staff not only had fun assembling the chairs, but were honored to be able to donate them to veterans who have so selflessly sacrificed for our country and freedoms."

"We very rarely give this honor to companies, but we were blown away by their donation of wheelchairs and cash to support our local vets," said Baranzky.

The May *Industry Insider* webinar, *ACA Update: Impact on Staffing*, is now available online. Fulfilling a campaign promise, President Trump went to work on a bill to repeal and replace the Affordable Care Act. On May 4, 2017 the House passed legislation to substantially overhaul ACA with the introduction of the American Health Care Act, and the bill is now headed to the Senate where it will require both Republican and Democratic votes to pass. This webinar covers where the current repeal and replace efforts stand and how various outcomes will impact the staffing industry. By the end of this session, you'll be up-to-date with the efforts to repeal and replace the Affordable Care Act and know how the various outcomes could affect your staffing business. June Fun Fact:

Happy Golden Anniversary Summerfest! The world's largest music festival kicks off on June 28th and is celebrating 50 years of bringing amazing musical acts to Milwaukee's lakefront. The first Summerfest was originally held at 35 separate locations around the downtown Milwaukee area. The second was held at 60 locations around Milwaukee and featured Bob Hope and Dolly Parton. In the early 70s, Summerfest moved to the lakefront, and within just four years quickly became one of the five biggest festivals in the country. Today, it's the largest festival of its kind in the world with musical acts including Tom Petty, Pink, Paul Simon, Luke Bryan, and hundreds more!
