Data Privacy for Staffing: Are You Following Best Practices?

From names, addresses, birth dates, social security numbers, health information, citizenship status, and more, a staffing company is privy to a lot of sensitive data. While having this information helps make your company run smoothly, it’s imperative to stay on top of what data you have, how it’s

being protected, and what plans you have in place to respond to any potential security incidents.

Effectively securing your data starts with assessing what information you have and who has access to it. Legal requirements on data security vary, but regardless of where you do business, starting with what data you have, where it is stored, and who has access is a great place to start assessing your data security.

It’s about the kids. Did You Know? Wintrust Announces Sponsorship for new Children’s Wisconsin Event

For nearly half a century, Brigg’s & Al’s Run and Walk for Children’s Wisconsin has been a iconic event in Milwaukee, with thousands of attendees winding through downtown and along the lakefront.

This year, the event is back with some big changes. Now called Rally Round Children’s Wisconsin, the walk and run will be held at Wisconsin State Fair Park on Saturday, September 13, 2025.

TRICOM has been a long-time supporter of the event, beginning back in 1996 when we sponsored our first team. Since then, we’ve continued to increase our support and participation, rising to be one of the top sponsors. Over the years, we’ve raised over \$1 million for Children’s Wisconsin.

This year, we are proud to announce that Wintrust, TRICOM’s parent company, will carry on this tradition by being the Main Stage and Entertainment Sponsor. We are excited to continue to be a part of this great Milwaukee tradition in support of a cause that’s dear to us all. It’s About the Kids!
